

GARDENS FOR WILDLIFE – REGISTRATION

The Gardens for Wildlife program (GFW) is a voluntary scheme run by the Tasmanian Land Conservancy (TLC). GFW encourages wildlife-friendly gardens and environmentally friendly practices in properties across Tasmania.

The criteria to join is simple – any garden under two hectares is eligible. Whether you have a courtyard, a roof top garden, deck, or larger space – the key requirement is property owner enthusiasm and commitment to benefit wildlife and environmental sustainability in your garden.

Follow these steps to register:

1. Complete and return this form via email: gardensforwildlife@tasland.org.au, or via mail at Tasmanian Land Conservancy, PO Box 4558, Hobart 7000.
2. TLC will send an invoice to your nominated email address for a one-off payment of \$30.00 (inc. GST of \$3.00).
3. Upon payment a welcome pack will be posted which will include GFW sign and other helpful information.

Property details

Property address			
Property suburb		Property postcode	
Property ID # <small>(See rates notice)</small>	Property type		
Size of property <small>(See rates notice)</small>	Area type		
Please let us know why you wish to register your garden as a 'Garden for Wildlife'		How did you hear about the program?	

Personal details

Title	First Name	
Last Name	Signature	
Email	Phone	
Postal address <small>(If different from above)</small>		
Postal suburb	Postal postcode
